

# Your Benefits

**Save time and money**

**Pays for itself after 17 hours\***

**Easy and flexible to use with automatic fold type selection**

\*Compared to folding in a copy shop

## Automatic Office-Folder Martin Yale 1701

The high operating speed and the convenient, automatic adjustment of the fold types at the push of a button ensure economy and easy handling. The range of 5 folds will meet all folding requirements effectively.

This folder is recommended for a large quantity of outgoing mail and regular mailing activities in high print runs.

Automatic adjustment of the fold type by pushing a button on the display.

### Areas of application. Are you...?
