

Office Laminator

Armoured1000 Professional A2 Laminator

CODE: 40350
Trade Pack: 1

Rugged, versatile and Superfast!

- Rugged steel casing
- Superfast 1000mm/min lamination
- Suitable for all pouches up to A2 size
- 4 massive 44mm precision rollers
- Sophisticated variable temperature control
- Reverse control
- Will laminate an A4 pouch in 22 seconds

The Swordfish Armoured1000 is a super-fast steel-cased A2 professional laminator that offers both variable speed and variable temperature, giving the user complete control. It is equipped with sophisticated temperature management, massive 44mm precision rollers and a steel cooling plate – all of which combine to give perfect results.

It also has easy access to the rollers for cleaning – so jams caused by sticky rollers become a thing of the past.
