

plantronics®

Incredibly lightweight. Clear HD sound.

.Audio™ 628 & .Audio™ 648 Digital stereo USB headsets

Extremely lightweight and Skype™ certified, ideal for on-line calls.

.Audio™ 628 & .Audio™ 648

Incredibly lightweight. Clear HD sound. They each feature noise-cancelling microphones and Digital Signal Processing to reduce echo and background sounds, and they also boost natural voice frequencies for the clearest and most natural-sounding conversations possible. The headsets also feature digitally equalised 24-bit Hi-Fi stereo audio, meaning you get to enjoy Skype™ calls, online TV, music, games and more in true HD sound.
