

THE WORLD'S TOUGHEST SHREDDERS

# Fellowes

## POWERSHRED

### C-320C

ENGINEERED FOR <b>COMMERCIAL</b> CONTINUOUS USE	MAXIMUM SECURITY CROSS CUT	16-18 SHEETS		
				

# C-320C

## Features

- 16-18 sheet capacity
- 3.9 x 30mm cross cut size
- Also shreds CDs
- 254 mm throat width
- 92 litre pull-out waste bin
- 6.7 metres per minute average shred speed
- User friendly control panel
- Electronic auto-start
- Auto-stop on jamming with indicator and auto-reverse
- Safety cut-out on bin removal and door open with indicator
- Exclusive Powershred cutting system with solid steel cutters
- Door storage facilities
- Castors
- 20 year cutter warranty
- 2 year manufacturer's warranty

## Benefits

- High performance engineering and heavy-duty motor provide continuous use for multiple users
- Ideal for medium to large departmental sized office use (10+ users)
- Cross cut provides higher security and significantly reduces bulk waste
- Fast shred speed normally speeds up shredding process
- Electronic auto-start minimises risk of jamming
- Solid steel cutters for durability
- Large bin capacity reduces downtime due to waste disposal
- Auto-stop on jamming with indicator significantly lengthens product life
- User-friendly warning indicators maximise ease of use
- Heavy-duty motor for professional demand
- Inside door facility for storing manual and shredder bags
- First manufacturer to offer 20 year cutter warranty in Europe
- Accepts small staples and paperclips, shreds credit cards and even CDs!
