CLP-315 / CLP-315W Colour Laser Printer

mono // colour // multi-function

www.samsung.com/uk/printer

imagine your biggest chance to upgrade to the smallest colour laser printer

This sleek and compact laser printer offers outstanding high quality colour and mono prints, stylish looks and almost silent output. With Samsung it's not that hard to imagine.

WORLD'S FIRST
WIRELESS COLOUR LASER PRINTER*

*Built-in wireless. CLP-315W only

CLP-315 vs other colour laser printers

It's quieter

The CLP-315 is one of the quietest printers available today when considering vibration and average noise emissions, respectively.

It's compact

This powerful compact colour laser with refined modern style was designed to fit into professional work spaces. Now even small professional businesses and home offices can upgrade to colour laser and enhance the impact of their printouts. At 384mm x 314mm x 237mm this colour laser will fit on a desk or a shared work space.

It's faster

Compared to most competitive print solutions the CLP-315 has a faster mono speed. Approximately 70% of colour laser printer users output black and white the majority of the time.

CLP-315 vs ink-jet printers

It's constant

The CLP-315 produces consistent colour printouts which are water-resistant and long-lasting, while ink-jet printouts are susceptible to water and humidity exposure, and the images can fade over time.

It's quieter

BLI has proved that the CLP-315 is the quietest printer when considering vibration and average noise emissions, respectively.

It's compact

384mm x 314mm x 237mm. The competitive footprint size gives you more space on your desk.

SAMSUNG

CLP-315 / CLP-315W

CLP-315 / CLP-315W

Specifications

• 16/4 pages per minute mono / colour print speed • Support SPL-C (Samsung Printer Language Colour) emulation • Up to 2400 x 600dpi effective output • 150 sheet cassette tray • Hi-speed USB 2.0 • Low noise level 45dBA (colour printing) • Small size 384mm x 314mm x 237mm • Wireless 802.11b/g (CLP-315W only)

Consumables: • CLT-K4092S • CLT-C4092S • CLT-M4092S • CLT-Y4092S • CLT-R4092 • CLT-W4092

4ppm Colour & 16ppm Mono Print Speed
Colour printing capability gives you the flexibility to add eye-catching colour to business documents.

2400dpi Print Resolution
Fine laser print resolution adds clarity and detail to printed documents for the most professional output.

150 Sheet Capacity Tray
Large paper capacity removes need to constantly add more paper and allows uninterrupted printing of large print jobs.

USB Connectivity
High speed USB connectivity for simple set-up and the rapid transfer of data from PC to printer.

20k Page Duty Cycle
Printer built to handle modest home user workloads for trouble-free operation month-in and month-out.

NO-NOIS™ Technology
Revolutionary engine design for the quietest, most compact printers and easiest toner changes.
