

brother
at your side

A black and white advertisement for a Brother mono laser printer. The printer is the central focus, with a printed page emerging from its output tray. The page features the Brother logo and some illegible text. To the right of the printer is a classic desk lamp with a large, dark shade. The background is a simple, light-colored surface.

SIMPLE, AFFORDABLE, RELIABLE, COMPACT, POWERFUL
BROTHER'S NEW ENTRY LEVEL MONO LASER PRINTERS
MADE BY THE #1 MONO LASER PRINTER BRAND*
SMALL, BUT POWERFUL PRINTERS FOR HOME AND OFFICE
THE NEW BROTHER MONO LASER PRINTER RANGE

BROTHER'S NEW MONO LASER PRINTER RANGE
COMPACT, AFFORDABLE AND RELIABLE

Simplicity

IN BLACK AND WHITE

WE'VE INCORPORATED OUR FAMOUS RELIABILITY AND INNOVATIVE TECHNOLOGY INTO THE NEW RANGE OF SMART, AFFORDABLE SINGLE FUNCTION AND ALL-IN-ONE MONO LASER PRINTERS.

Targeted at the home or SOHO (Small Office/ Home Office) market, our new entry-level mono range means you and your customers can enjoy a more productive, hassle-free print solution.

Why? As the #1 mono laser printer brand*, we know a thing or two about what works, what you and your customers want and how to deliver. So our printers aren't just fast, they incorporate anti-jam technology, so they stay fast.

We use 150 page paper trays and cost effective toner cartridges, meaning less paper reloads and cartridge switches. Which means users can utilise their time more efficiently, instead of spending time loading paper or supplies.

Looks good

IN BLACK AND WHITE

Prints better

IN BLACK AND WHITE

AS WELL AS BEING PERFECTLY PRACTICAL, AND DELIVERING PROFESSIONAL QUALITY MONO PRINTING, THE NEW MONO LASER RANGE LOOKS GOOD TOO.

Models feature a tough, sleek and compact design making them a perfectly stylish and space saving addition to the small office or home printing setup.

Keeps going

IN BLACK AND WHITE

WE'RE BRINGING OUR PROVEN RELIABILITY AND KNOW-HOW TO THE ENTRY-LEVEL RANGE, GIVING HOME AND SOHO USERS A HASSLE-FREE EXPERIENCE.

One example is our anti-jam technology which combines with our print speeds of up to 20ppm to ensure our printers aren't just fast, they stay fast.

The range

IN BLACK AND WHITE

All models in this range have up to 500 pages per month recommended duty cycle, making them ideal for the home and small office.

HL-1110

PRINT

This single function printer combines superb value with a compact footprint and proven reliability you would expect from the number one brand in the mono laser market.*

Which means it can handle the demands of home and small office output, thanks to 20ppm print speed, up to 600x600dpi resolution and full speed USB 2.0 interface.

DCP-1510

PRINT | COPY | SCAN

This superb mono printer packs scanning and copying capabilities into a compact, space saving solution for home and office use.

Simple to set up and use, the printer includes a 150 sheet paper tray and uses easy replacement 1,000 page toner cartridges to ensure users spend less time loading and more time printing. All this is combined with the proven reliability you would expect from the number one brand in mono laser print.*

MFC-1810

PRINT | COPY | SCAN | FAX

Top of our new mono range is the MFC-1810, delivering impressive high speed, high quality print, fax, scanning and copying services.

It has all the mono range innovations, including professional print quality, up to 20ppm high speed printing, and features such as the Automatic Document Feeder that makes multipage scanning, copying and faxing much more straightforward.

All this adds up to a competitively priced, compact all-in-one solution, ideal for small office and home use.
