EcoTank ET-4550

Perfect for any small office, this 4-in-1 inkjet printer comes with enough ink to print up to 11,000 pages[1] without the need for cartridges.

No fuss, no surprises and printing costs reduced by 74% on average[2], this EcoTank printer delivers high yields at an ultra-low cost thanks to its ultra-high capacity ink tanks. A 4-in-1 inkjet with print, copy, scan and fax, the economical ET-4550 couldn't be easier to maintain, with 11,000 pages of black and colour ink included in the box[1] - that's two whole sets of ink bottles included.

Say goodbye to ink cartridges
The star of the ET-4550 is its newly designed integrated ultra-high-capacity ink tank system, which completely does away with the need for ink cartridges. That means less fuss and much more printing between refills than other inkjet printers. As well as doing away with ink cartridges, the ET-4550 has six 70ml colour and two 140ml black Epson genuine ink bottles in the box, which are easy, clean and quick to use.

Ultra-low cost
The ET-4550 saves you 74%[2] on printing costs on average. Included in the box are two full sets of ink which will enable you to print up to 11,000 pages in black and colour[1], at just a fraction of a penny per page[3]. In fact, a customer would need to buy 72 ink cartridges on average to get the same yields[2].

Wi-Fi and Ethernet connectivity
Equipped with Wi-Fi and Wi-Fi direct, the ET-4550 can take advantage of all Epson Connect[4] features. Print quickly and easily over Wi-Fi from a smartphone using the free Epson iPrint app, print remotely or email the ET-4550 a print job.

Quick, quality results
The ET-4550 uses Epson's own Micro Piezo technology for excellent-quality print-outs. Mono prints are delivered at a rate of 13 pages per minute while it can issue 7.3 colour pages per minute[5]. The 150-sheet paper tray, 30-page ADF and automatic duplex printing help you boost productivity, while black pigment ink is used to deliver high-quality text printing.

* Quoted yields extrapolated based on Epson original methodology from print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields NOT based on ISO/IEC24711 and may vary depending on images printed, paper type used, frequency of prints and environmental conditions such as temperature.

1. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Black: 11,000/Colour: 11,000 pages yield based on two ink bottle sets included with this printer. Black: 6,000/Colour: 6,500 pages yield based on 774/664 ink bottles sold separately. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.
2. Average saving for printing the number of pages using the bundled ink bottles with the EcoTank range, including hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best selling models in Western Europe, in the period May 2015 - April 2016, as tracked by GfK.
3. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites
4. Cost per page calculated by ink bottle RRP divided by quoted ink yield
5. Epson iPrint requires a wireless connection and the Epson printing app. Epson Email print, Epson Remote print driver and Epson scan-to-cloud require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu
