

# EVOLVE THE WAY YOU WORK

## MORE THAN HEADSETS, A WORKPLACE EVOLUTION

Jabra Evolve 65 is a professional wireless Bluetooth headset that improves your conversations and helps you concentrate. It comes with a Jabra Link 360 BT USB adapter. It also comes with a cord to recharge the headset battery and keep it powered for hours of music enjoyment and phone calls.

### ULTIMATE NOISE-CANCELLATION

State-of-the-art, noise-cancelling microphone eliminates background noise. You and your conversation partner won't struggle to hear each other.

### LONG WIRELESS RANGE

Walk up to 30 metres away from your desk while on a call. You're free to roam around the office to grab a coffee, find documents and multi-task. Near Field Communication (NFC) allows you to simply tap your compatible smart device and Jabra Evolve 65 together and you will be ready to talk or stream music instantly.

### INTEGRATED BUSY-LIGHT

The Jabra busy-light helps you to cope with the challenges of an open office environment and lets people clearly know that you are on the phone. The indicator turns red when you are on a call and keeps you from being interrupted.

## FEATURES AT A GLANCE

- Made for voice and music
- Passive noise-cancellation
- Easy call management
- Busy-light
- Discreet boom-arm
- Up to 30 metres of wireless range
- Up to 10 hours of talk-time
- Tap to connect

## QUICK START GUIDE - GET STARTED IN UNDER 5 MINUTES

### 1 CONNECTING

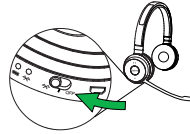

#### CONNECT TO A PC (USING JABRA LINK 360)

Plug the Jabra Link 360 dongle into a USB port on your PC. The headset and the Jabra Link 360 are already pre-paired.

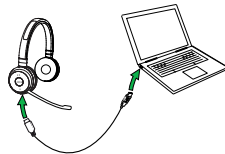

#### CONNECT TO A MOBILE DEVICE (USING BLUETOOTH)

Wear the headset and hold (3 secs) the **On/off/connect** switch in the connect position until you hear the voice-guided instructions. The Bluetooth indicator will flash blue.

#### CONNECT TO A PC (USING USB CABLE)

Plug the headset into any USB port on the PC using the supplied USB cable and ensure the headset is switched on.

### 2 WEARING

#### POSITION THE MICROPHONE

It is recommended that you position the microphone close to your mouth (0.5 inches).

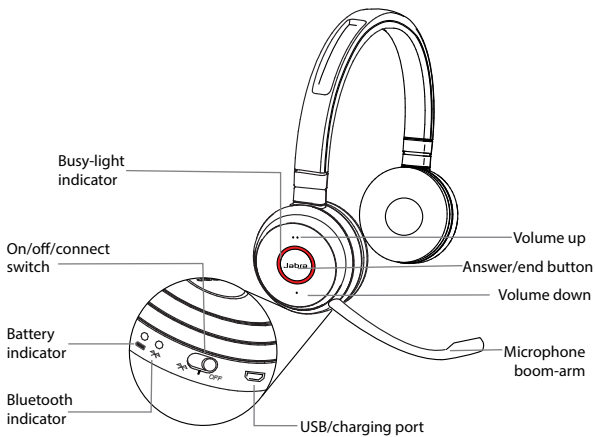

The microphone is bendable for personal preference.

#### STORING THE MICROPHONE

When listening to music or outdoors, the microphone can be magnetically stored in the headband groove.

### 3 USING

#### DID YOU KNOW?

You can download the full user manual from [jabra.co.uk/evolve](http://jabra.co.uk/evolve)

	FUNCTION	ACTION
	Headset on/off	Slide the <b>On/off/connect</b> switch
	Bluetooth connect	Hold (3 secs) the <b>On/off/connect</b> switch in the connect position
	Answer/end call	Tap the <b>Answer/end</b> button
