

Kami Mini Camera

Small, durable and powerful

Face Detection

Identifies facial shapes and features to create a highlight of every face that appears in an alert notification

Multi-Cam View

Allows users to view up to 4 cameras on the smartphone and up to 9 cameras on Mac and PC

Human Detection

Reduces false alarms caused by pets, changes in light and human figures

Activity Zone

Allows users to focus motion detection on a specific area within the camera's viewing range

App Control

Allows users to control the camera from the Kami Home App

Cloud Storage

Backs up images and videos on the Cloud. Choose a convenient subscription plan for longer storage and recording options
