DECT DECT Phone

The DECT phone represents an entirely new wave of communications with the digital performance and style you would expect from Panasonic. Walk and talk in comfort – enjoy a smarter, more convenient communications in your office and home.

Fully Digital Answering System

This unit answers all your calls, records messages and receives faxes while you are away. The digital system makes operation virtually silent and instantaneous.

Digital Speakerphone on the Cordless Phone

This system features digital duplex speakerphones on the cordless phone. You can enjoy clear, natural, two-way conversations on the digital speakerphone.

Dual Caller ID*1 Ready on Base and Cordless Phone

With caller ID compatibility, you can view the name or number of your incoming callers on the LCD screen before you answer the call. You can edit and store the caller ID memory, and even print the list for your records.
