LASER FAX
FAX-L380S

Adding cost-cutting security to fast, high quality laser faxing and printing.

- Plain Paper laser fax with Super G3 modem - 3 seconds per page transmission*
- 510-page* fax memory
- 18 ppm laser printer: 600 dpi print quality
- Departmental ID Management: control your costs and enhance security by restricting fax use to authorised personnel
- 250-sheet paper capacity, 50-page Automatic Document Feeder
- Speed dialling: 31 one touch/100 coded dial keys
- Ultra High Quality imaging with 256 grey scales for faxing photos and diagrams with maximum detail
- All-in-One Cartridge
- Compact and robust design

* based on ITU-T Standard Chart No. 1

CONTROL COSTS AND ENHANCE SECURITY

The FAX-L380S features a Departmental ID Management function to control costs and enhance security. This allows you to set and store different IDs and passwords for each department and restrict fax use to authorised staff only. Ideal for management and accounting purposes, it allows you to check fax, print and copy totals regularly for each user and every department.

ULTRA HIGH QUALITY FAXING
When you're transmitting detailed documents, such as diagrams or photos combined with

text, Canon's unique UHQ (Ultra High Quality) technology ensures a perfect finish every time. The half-tone reproduction, in 256 shades of grey, gives extra depth and clarity to images.
