

LabelWriter 400 Twin Turbo

The LabelWriter Twin Turbo combines the speed and versatility of two LabelWriter 400 Turbo printers in one machine. The Twin Turbo is ideal for those who frequently use two different types of labels and want them both available at the same time. It's also ideal for printing big batches of labels since you can load the same labels into both sides of the printer, thus doubling your capacity.

- Ø Contemporary style
- Ø USB Connection
- Ø Compact – won't take up too much desk space!
- Ø Available: NOW

FEATURE	BENEFIT
2 printers in 1!	<ul style="list-style-type: none"> • Load 2 different types of labels at the same time – convenience & flexibility • Load the same label in both sides – allows for large print jobs as, once 1 side has finished, it will automatically start printing on the other side!
