

SIMPLY WORKING SMARTER

SIMPLY AFFORDABLE DICTATION AND TRANSCRIPTION

STARTER KIT

ANALOGUE

0063

There's nothing basic about this entry to professional dictation and transcription. The Pocket Memo® 381 has the classic Philips 4-Position Switch giving you single-handed operation of features like record, playback and erase. The 710 Transcription kit complements it perfectly and provides a simple solution to your transcription problems. Facilities include Turbo Wind to take you quickly to any part of the tape, excellent playback quality, and Auto Backspace so you never miss a word when pausing the tape.

Included in the Analogue Starter Kit 0063:

Headset 233

Power Supply 155

Mini Cassette 005

Foot Control 210
