**381**

**WITH MINI CASSETTE**

There's nothing basic about this entry to professional dictation. The 381 is a beautiful machine that is so simple to operate you'll find it easy to enhance your personal productivity whether in the office or on the road. The classic Philips 4-Position Switch gives you single-handed operation of features like record, playback and erase. Alternatively, there's Voice Activated Recording which lets you operate the machine without using your hands. Finally, the Pocket Memo<sup>®</sup> 381 isn't just simple, it's also safe. Features like Transport Lock, Record Protection and Fast Erase let you keep the recordings you want and get rid of those you don't.
