Voice Tracer

LFH 600

Just remember

Dynamic, stylish, adaptable. The Philips Digital Voice Tracer 600 is a digital note taker for those who think on their feet. Just start talking and the Digital Voice Tracer will do the rest. Voice activation enables easy, hands-free note taking. The Digital Voice Tracer 600 has the ability to download your notes to a computer. Plus, you can send them as a voice message via email. So why search for a pen when you can take accurate notes at the speed of sound?

Fast and simple

- Extra large LCD screen for an at-a-glance overview
- Instant one-touch recording - from power off to record mode
- Easy organization of recordings with four folders (99 recordings each)

Advanced

- Records in MP3 format
- File archiving through USB 2.0 high speed connection
- Voice-activated recording for hands-free note taking

Designed around you

- Hold function prevents unintentional on/off mode switching
- Extra large front speaker for crystal-clear voice playback

PHILIPS
sense and simplicity

Specifications

- **Microphone:** 3.5 mm, impedance 2.2 k Ω
- **Headphone:** 3.5 mm, impedance 16 Ω or more

Display

- **Type:** LCD, segment
- **Diagonal screen size:** 39 mm / 1.5 in.

Recording format

- .mp3 (Mpeg 1/Audio Layer 3)

Recording media

- Built-in flash memory
- 512 MB internal memory
- Four dictation folders store up to 99 recordings each

Microphone

- **Built-in:** mono
- **External:** mono

Recording time

- **HQ mode (.mp3 / mono):** 16.5 hours
- **SP mode (.mp3 / mono):** 22 hours
- **LP mode (.mp3 / mono):** 33.5 hours

Compression rate / sampling frequency

- **HQ mode:** 64 kbps / 22 kHz
- **SP mode:** 48 kbps / 16 kHz
- **LP mode:** 32 kbps / 16 kHz

Speaker

- Built-in 30 mm round dynamic speaker
- **Output power:** 110 mW

Power

- **Battery type:** two Philips AAA alkaline batteries (LR03 or R03)
- **Battery life (recording):**
HQ mode: 20 hours
LP mode: 30 hours

Dimensions

- **Product dimensions (WxDxH):**
40 x 18.4 x 108 mm / 1.6 x 0.7 x 4.3 in.
- **Weight:** 78 g / 2.8 oz. including batteries

System requirements

- Windows Vista/XP/2000, Mac OS X, Linux
- Free USB port

Operating conditions

- **Temperature:** 5° - 45° C / 41° - 113° F
- **Humidity:** 10% - 90%

Green specifications

- Compliant to 2002/95/EC (RoHS)
- Lead-free soldered product

Package contents

- Digital Voice Tracer 600
- USB cable
- Two AAA batteries
- User manual

Accessories

- Plug In Microphone 9171
- Tie Clip Microphone 9173
- Stereo Headphone 2236
- Microphone Earphone Combination 331

Product highlights

USB 2.0 mass storage device

A useful 512 MB memory gives you the capacity to store and share files via the USB port, which makes it ideal for personal, portable use.

Slow and fast voice playback

Recordings can be played back at a slower speed to make it easier to take written notes.

Index mark feature

The handy index function lets you mark a particular point in a recording or playback for easy retrieval.

Lightweight and portable design

Small and lightweight, you'll hardly notice it's with you. Pop it in your pocket or bag and take it anywhere. The durable casing and attractive, ergonomic design will make you want to carry it everywhere you go.

Voice-activated recording

When enabled, recording will start automatically when you start speaking. Recordings stop automatically after you stop speaking and restart automatically when you start speaking again. No words are lost

Adjustable microphone sensitivity

The signal-to-noise (S/N) ratio of the high-sensitivity microphone is far better than those of standard microphones. Recording sensitivity is increased (picks up more voice signal) without compromising sound quality.
