

## VISIBLY SMARTER DICTATION AND TRANSCRIPTION

### TRANSCRIPTION / DICTATION KIT

ANALOGUE

Executive Desktop Kit 730 combines advanced dictation and transcription facilities with a Visual Workflow Display. This automatically shows the machine's operating status at-a-glance and is invaluable for co-ordinating your workload, by identifying the number, priority and length of jobs on the tape. In addition, features like Telephone Recording, hands-free Voice Activated Recording and a Sensitivity Switch aid the production of clear dictation. And End-of-Letter Index tones, Priority and Special Instructions help your administrator to transcribe documents according to your requirements.

ANALOGUE

Included in the Analogue Transcription/Dictation Kit 730:

Foot Control 210

Headset 234

Power Supply 155

Let's make things better.
