

Packed full of features

More features, more options. The Plantronics M70 Bluetooth® headset is so lightweight and comfortable you may forget you're wearing it. During set up, you simply follow the voice prompts to select one of three language options for the audible status alerts on talk time, battery level, connection, and more. You can also control music tracks and volume without touching your smartphone. Using the M70 is so easy that you can finally free your ear from your smartphone.

LASTING COMFORT + EASY CONTROLS

- Reduces noise, wind, and echo from calls and delivers HD audio clarity when used with wideband-enabled smartphones and mobile service
- DeepSleep hibernation mode activates when out of range from your paired phone, keeping the headset charged up to six months
- Depending on region your language choices are English/German/Russian or French/Spanish/Italian
- Control your music and streaming audio using headset buttons instead of your smartphone
- Onscreen headset battery meter is automatic for iPhone and is enabled for Android smartphones using the free Plantronics battery widget for Find MyHeadset app
