

Easy Dot Matrix printing for everyone

A 24 pin dot matrix printer with essential credentials for front desk work, offering both reliability and assistance.

The ML6300FB-SC is built for task critical situations, such as at the front desk of banks, travel agents, stations or surgeries. For printing slips, tickets, receipts, forms, multi-part documents, both pre-cut and tractor fed, the ML6300FB-SC keeps transactions smooth and customers happy.

At OKI Printing Solutions we are committed to your business needs, and know that printer performance and long-term business value are important to you. The ML6300FB-SC places strong emphasis on providing efficient customer service. It benefits from easy-to-change ribbon, flexible media handling, and time saving skew correction. The small footprint also makes it ideal for businesses where space is at a premium.

Skew correction equals cost reduction

Skew correction reduces mistakes by human error, saving paper cost and operation time. As operation is so easy, virtually no training is required for the user.

Automatically corrects paper skew

Paper can be loaded from any position for the same printing result

Printer can sense paper width and reject it if incorrect

Compact, quick and highly capable

- Small footprint allows printer to be close to hand
- Print speeds of up to 450 characters per second allow for faster transactions and happier customers
- Flat bed design gives broad media handling capability, including heavier media weight and multi-part paper handling (1 original + 5 copies) for greater efficiency and convenience

Less downtime. Lower costs

- Original ribbons have a high ribbon life meaning fewer changes, less downtime and running costs
- 'Clean hands' ribbon changing ensures no delay, mess or hassle when fitting a new ribbon

24 pin Dot Matrix Printer
with skew correction

The ML6300FB-SC dot matrix printer product specification

		ML6300FB-SC
Order number		01265001
General	Number of pins	24
	No. of multi-part forms	6 (one original + 5 copies)
Speed & throughput	High speed draft (10 cpi)	400cps
	Utility (10 cpi)	300cps
	Letter quality (10cpi)	100cps
	Fastest print speed (Normal/Utility 15cpi)	450cps
Font & print features	Carriage width (10cpi)	106 columns
	Max. in compressed mode	212 columns
	Character pitch	10/12/15/17.1/20 pitch & proportional
	Graphics resolution	Up to 360 x 360 dpi
	Typeface & font	Courier, Roman, Swiss, Swiss Bold, Orator, Gothic, Prestige, OCR-A, OCR-B, Utility, HSD
	Typestyle	Emphasised, Enhanced, Double Width, Double Height, Italics, Outline, Shadow, Bold, Underline, Subscript, Superscript
Emulations & interfaces	Printer emulations	Epson LQ, IBM PPR or IBM AGM
	Standard interfaces	Centronics Parallel, USB 2.0
	Optional interfaces	Serial RS-232C, Network Interface Card
Paper handling	Continuous paper	76.2 - 304.8mm
	First printable line (from top of page)	Cut-sheet 2.12mm, Continuous 2.12mm
	Standard	Push tractor, Friction feed
	Cut sheet paper weight	Single part: 52 to 209gsm; Multipart: 40gsm
	Continuous paper weight	Single part: 52 to 128gsm; Multipart: 40gsm
	Cut sheet paper thickness	0.36mm max.
	Continuous paper thickness	0.36mm max.
Physical	Dimensions (HxWxD)	210 x 425 x 255mm (does not include the platen knob & stage)
	Weight	7.5kg
	Memory	64KB
	Noise level	58dBA
Power	Power requirements	220V - 240V AC +/- 10%
	Frequency	50/60Hz
Reliability	Print head life	200 million characters
	Ribbon life	4 million characters
	MTBF	12,000 hours
Warranty		3 years extended warranty upon registration within 30 days of purchase ¹
Accessories	Serial RS-232C	09002351
	Network Interface Card	01144601

¹ To qualify for the extended 3 year warranty, register your product online at www.okiprintingsolutions.co.uk/warranty. Without registration, the standard pan-European 1 year warranty applies.

Consumables

Only use genuine OKI Printing Solutions Original consumables to ensure the best quality and performance from your hardware. Non OKI Printing Solutions Original products may damage your printer's performance and invalidate your warranty.
