

# NUANCE

The experience speaks for itself™

## DATASHEET

### PaperPort® 14

#### Scan, Share, Search and Organise Documents on your PC

Overwhelmed with paper? PaperPort® 14 can help to simplify the chaos by organising your paper documents – documents, receipts, photos and more – into digital files on

your desktop.

PaperPort 14 is Nuance's most popular scanning and document management solution, carefully designed specifically for home office use. Part traditional file cabinet, part digital-document desktop, PaperPort 14 is the fastest and easiest way to scan, share, search and organise your documents.

Additionally, PaperPort 14 now delivers anytime-anywhere access to your most important files however it's convenient for you – using a PC, Mac, iPhone, iPad, or Android device.

### WORKS WITH YOUR SCANNER

Say goodbye to all the challenges related to paper. PaperPort 14 works with all-in-one printers, mobile scanners, desktop scanners and more – making document management faster, easier and more effective.

### PAPERPORT ANYWHERE: WELCOME TO THE CLOUD

PaperPort Anywhere® connects your PaperPort 14 desktop on the PC to the cloud so you get automatic access to your most important folders, files, documents and photos via any device, including Mac® or PC.\*

### ANYTIME-ANYWHERE ON MOBILE DEVICES

With free applications for today's most popular mobile devices, you can browse, search, view, download and upload documents to PaperPort Anywhere using your iPhone®, iPad® and Android™ devices.

### MAXIMUM SECURITY. MAXIMUM PEACE OF MIND.

With security features such as full encryption of documents in transit, state-of-the-art intrusion detection and privacy certification, you can rest assured your documents, files and personal information are protected.

## The Power of PaperPort

### Get more organised

PaperPort gives you a single solution for scanning paper and accessing, viewing, editing and converting files on your PC – the best way to get and stay organised.

### Take advantage of the cloud

Plus, with PaperPort Anywhere, you can extend powerful document management capabilities to any device with a browser. PaperPort even delivers apps for iPhone, iPad and Android devices for maximum access, peace of mind and collaboration.

### Go green

Reduce waste and conserve energy by putting an end to your reliance on printing, faxing and mailing. You'll save money, too!

### Gain true peace of mind

Improve document management processes with PaperPort. Once you file a document in PaperPort, you can rest assured it will never be lost, damaged or accidentally thrown away.

### Get more done faster

PaperPort 14 includes a powerful PDF Viewer that can replace the free Adobe® Reader®, so you can view, edit and share PDF documents like never before.

### Clean up and enhance digital photos

Scanning pictures is just the first step. PaperPort helps to make your digital photos look better than ever with a feature rich set of photo tools and optimal resolution for screen and print.

### Fill out forms quickly, neatly

FormTyper™ converts scanned paper forms into electronic forms you can fill out, save as PDF and email. It's fast, easy and automatic.

### Works with your scanner

Make your all-in-one printer, mobile scanner or desktop scanner faster and easier to use with PaperPort 14. Get better results, too.

## FIND INFORMATION INSTANTLY

Now you can create searchable PDFs from digital files and scanned paper documents. Then, to quickly locate a specific file, simply enter keywords or phrases into a desktop search.

## BECOME AN EXPERT ... IN NO TIME

PaperPort reduces the complexity of scanning to a single push of button. Set-up a breeze and once start, you will quickly have all your documents stored and accessible in one easy-to-use application.

## CONVERT PAPER INTO TEXT

PaperPort converts paper to text in one, easy step. Just drag and drop a scanned document onto any text application in the PaperPort 'Send To' bar to create editable text for instant use in word processing or spreadsheet software.

## MORE CLOUD OPTIONS: NUANCE CLOUD CONNECTOR\*\*

Now you can gain access to a number of cloud services, including Windows Live SkyDrive, Google Docs™, Box.net and many more. Plus, files are accessed in the PaperPort folder directory, so you can scan, stack or unstack PDF files which are automatically uploaded in the cloud.

**Minimum Hardware Requirements:** • Intel® Pentium® compatible or newer CPU • 1 GB RAM • 700 MB free hard disk space for application files. Additional free space is required for Microsoft .NET Framework 4 and the other prerequisites if they are not present on the system • 1024x768 resolution display with 16 bit (High Colour) or better • Windows compatible pointing device

**Supported Operating Systems:** • Windows® XP 32-bit SP3 • Windows Vista™ 32-bit and 64-bit with SP2 or higher • Windows 7 32-bit and 64-bit • Windows 8 32-bit and 64-bit

**Supported Web Browsers (Favourites and PDF Viewer):** • Internet Explorer 7 or above • Firefox 3, 4, 5 • Chrome 4 or above

### DVD-ROM drive (required for installation)

### PaperPort Anywhere, Nuance Cloud Connector, Online Activation, Registration and Live Update:

• Internet connection and web access necessary • PaperPort Anywhere includes 1 GB of storage. Terms subject to change. Visit [www.paperport.com](http://www.paperport.com) for details.

**Note:** Performance and speed will be enhanced if your computer's processor, memory and available disk space exceed minimum requirements. This is especially true when converting very large colour PDF files.

**Technical Support:** Nuance offers technical support via phone and email. Visit [www.nuance.co.uk/support](http://www.nuance.co.uk/support) for our current support policy.

\* PaperPort Anywhere is powered by OfficeDrop

\*\* Nuance Cloud Connector is powered by Gladinet
