Description

Ideal for high volume, bulk use and offering sufficient confetti cut security to shred confidential documents, this shredder features Jam Stopper technology, a wide entry mouth to take up to A3 paper and cuts out automatically when the massive 175 litre capacity plastic bin is full.

Protect your confidential and valuable information from being stolen by shredding any documents that may put your business at risk from identity fraud. The Rexel RLWX25 a multi department shredder designed to for high volume use with multiple users and has a S3 security level which means that it shreds paper into unreadable confetti style particles (sized 4 x 40mm) making it ideal for sensitive data.

The RLWX25 is a wide entry (mouth size 400mm) shredder that can shred documents in all shapes and sizes including A4, A3 and computer listing paper, as well as staples, paper clips and credit cards. The anti-jam function reverses paper out of the shredder when too much paper is fed in. Engineered for bulk shredding, it can shred up to 28 sheets of 70gsm paper (25 at 80gsm) in a continuous single feed and features a super large 175 litre capacity plastic waste bin. The front opening door with pull out frame and plastic bin option enables simple and mess free emptying and the shredder cuts off automatically when the bin is full. With a clear, easy to use control panel and a safety flap in the feed opening, the stylish RLWX25 is the ideal choice as a centralised shredder for multiple users who require bulk destruction of documents.

Weighing 87kg and sized at 970(H) x 640(W) x 590(D)mm, the RLWX25 comes with the extra peace of mind of a 2 year warranty, an extended 20 year warranty on the cutters plus it is compliant with finger safe international standards and is TUV and CE compliant.
