

SC 100 Series

Activate your potential

The SC 100 headsets make a great impression. From their contemporary sleek styling to great sound for calls and multimedia, they excel in all areas: at your workstation, on the move around the office or on your commute to work, there is a variant tailored to your needs. With discreet boom arm design, adjustable fit and a choice between acoustic foam or soft leatherette ear pads, the SC 100 headsets are built for flexibility and comfort. Add the productivity benefits of Sennheiser Voice Clarity, a noise-cancelling microphone for optimized speech and Sennheiser HD stereo* sound, and you have a convenient single solution for all your audio needs. Designed with today's work/life balance in mind, the SC 100 Series makes busy days more effective and listening to music while you work more enjoyable - all in one headset.

BENEFITS & FEATURES

- Looks as good in the office as on the daily commute With sleek contemporary design and bendable boom arm that folds discreetly into the headband
- Sennheiser HD stereo* sound For calls or listening to music while working
- Flexible device connectivity With options of 3.5 mm jack**, USB-A or USB-C
- Easy transportation or storage Thanks to an innovative fold-flat ear cup design
- Maximum comfort With soft leatherette ear pads***
- * Available on dual-sided variants
- ** Available on SC 1X5 variants
- *** Available as accessories for SC 1X0 variants

The SC 100 Series offers, with its 10 variants, connectivity to a variety of devices. See all headset variants and connectivity options in the table overview on page 3.
