SMART & SIMPLE

Bluetooth®
CONNECTS TO SMARTPHONES VIA BLUETOOTH
SIMPLE FUNCTIONALITY MAKES A BIG DIFFERENCE TO YOUR BUSINESS

These next generation cash registers connect to smartphones via Bluetooth. The Casio ECR+ smartphone app offers a range of features including register configuration and the ability to check sales figures. It's an information terminal that transcends conventional cash registers to simplify operation and help your business grow.

RETAIL & HOSPITALITY ECR'S WITH INTEGRATED BLUETOOTH WITH A FREE MOBILE APP
MAKE YOUR DATA WORK FOR YOU WITH THE SMARTPHONE APP

Displays store sales in graphical format so you can see any store's performance at a glance.

Run your store in a smarter way! Use your smartphone to easily set up products and change prices on the cash register.

Easily create helpful log entries. You can store not only text but photos and sales graphs as well.

View weekly, monthly and annual graphs of store sales to more effectively analyse and predict sales performance.

*You can view data going back up to 25 months. Data beyond that period is not viewable.
*Cloud-based example screen subject to updates.

Streamline the time-consuming task of managing cash register settings and data.

Print promotional campaign information on receipts to attract more customers and increase business.

Record daily store activity that you can check at a glance. Reviewing log entries can provide hints to help resolve issues.

FULL SUITE OF BASIC FEATURES FOR A USER-FRIENDLY EXPERIENCE

ADJUSTABLE DISPLAY UNIT WITH 10-LINE LCD

The high-definition blue display makes data input easy to check. Inputting and checking a bill is smoother with improved visibility and ease of use.

A SIMPLE DESIGN TO MATCH A VARIETY OF STORES

HIGH-SPEED PRINTER

Fast printer with 20 lines/sec output reduces customer waiting time during busy periods.

BACK UP REGISTER DATA TO AN SD CARD

Use an SD card to back up stored data on the register.
You can also configure cash registers and manage sales with PC tools.

POP-UP DISPLAY FOR CUSTOMERS

The customer display is an easy-to-see blue backlight.
Helps prevent cashier errors to instill greater trust in your store.

STEEL DRAWER THAT IS DURABLE AND AESTHETICALLY PLEASING

The high-quality steel outer casing of the drawer is very robust.
You can have confidence that this register will last a long time.
