

Jabra GN

Jabra Talk 45

Engineered for noise cancellation and Voice Control.

HD Voice for crystal-clear calls.

Enjoy the clearest calls with HD voice and Jabra 2-microphone technology. HD Voice automatically adjusts the volume to your environment, making sure that no matter where you are, you can hear above the noise around you. And with our 2-microphone technology, the person you're talking to also experiences exceptional call quality.

Powerful noise cancellation.

Block out disruptive noise with advanced Jabra noise cancellation, and experience noise-free calls even in loud environments.

Long lasting calls.

With up to 6 hours of calls and up to 8 days of standby time, Talk 45 lets you make reliable Bluetooth wireless calls throughout the day on a single charge.

Stream GPS and media.

The Talk 45 gets the most out of your media, letting you wirelessly stream GPS directions, music and podcasts from your mobile phone.

One-touch access to Voice Control.

Your Digital Assistant is just one touch away with Jabra Voice Control. Imagine being connected to email, texts, phone calls and music without ever having to touch your phone. And with the dedicated button for Siri® and Google Assistant™, you stay connected to your Digital Assistants, even when you keep your phone in your pocket or bag.
