

WorkForce WF-2750DWF

DATASHEET

Business-quality printing from this compact and affordable 4-in-1 with Wi-Fi, Wi-Fi Direct® and double-sided printing

Small business and home office users should look no further than this compact 4-in-1. The WF-2750DWF boasts double-sided, business-quality printing and individual inks for cost savings. It also features Wi-Fi and Wi-Fi Direct® and is compatible with Epson Connect¹ to ensure quick and easy mobile printing.

Business quality

This 4-in-1 printer uses a PrecisionCore printhead to ensure top quality, laser-like performance. Fast print speeds and a 30-page automatic document feeder for multi-page, 1200dpi scanning, copying and faxing offer the ultimate in convenience. Wi-Fi and Wi-Fi Direct® connectivity ensure the flexibility every small business needs.

Low running costs

The WF-2750DWF uses Epson's 16 series Pen and Crossword inks, available in a choice of standard or XL cartridges sizes to suit your specific printing needs. XL inks can help you to reduce your printing costs by up to 25%². The use of individual ink cartridges means only the colour used will need to be replaced, further reducing costs.

Mobile printing

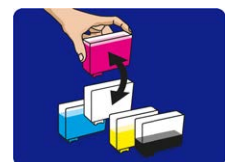

Epson Connect compatibility offers useful features like scan-to-cloud, email print and the Epson iPrint app¹. The WF-2750DWF is also compatible with Apple AirPrint³ and Google Cloud print, letting you print seamlessly from smartphones and tablets.

Easy to use

Automatic Wi-Fi set-up⁴ helps make connection a breeze, while the 150-sheet front-loading paper cassette makes refilling easy. A 5.6cm LCD screen and a user-friendly menu makes navigating the WF-2750DWF simple and quick.

KEY FEATURES

- **Business-quality duplex printing**
Laser-like results
