

WorkForce Pro WF-4640DTWF

This easy-to-use business inkjet is ideal for use in smaller workgroups, featuring fast printing speeds and low printing costs.

Perfect for the small workgroup environment, this full duplex 4-in-1 business inkjet features a 20ppm print speed in mono and colour¹, high-capacity ink cartridges of up to 2,600 pages², two front-loading paper trays and an improved duty cycle. Quick, reliable and economical to run, its print quality is not compromised, even at high speeds. And you get full mobile connectivity.

Save time and money

It offers up to a 50 percent lower cost per page³ compared to competitive colour lasers, and saves you time, being faster than a laser on typical print jobs³, with no warm-up period. The WF-4640DTWF uses up to 80 percent less power than competitive colour lasers³.

High performance

Its high-yield cartridges are low maintenance and its 20ppm print speed in black and colour¹ means you can print quickly with a print resolution of up to 4800x1200dpi. The paper capacity of up to 580 sheets means you won't need to spend time refilling.

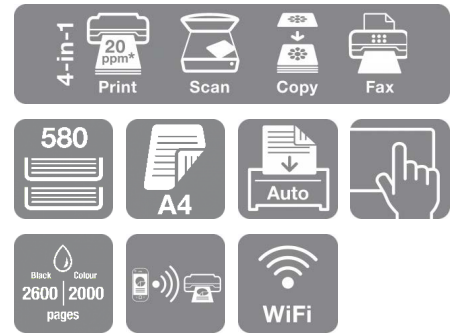

Built for business

This inkjet printer has a monthly duty cycle of 30,000 pages⁴. Prints dry fast thanks to the DURABrite Ultra ink, meaning faster print speeds when printing double sided.

Flexible and easy to use

Its intuitive touch-screen makes functions readily available, and the rear manual paper tray lets you print on a range of media. It supports Epson Connect⁵, so you can easily print from smartphones, tablets and more. Its Wi-Fi Direct™ capability lets you print from supported wireless devices without connecting to a router. Document Capture Pro compatibility⁶ offers seamless integration into most document management systems.

DATASHEET

KEY FEATURES

- **Save time**
Faster than a laser on typical print jobs³
- **High performance**
Fast full duplex business multifunction printer
- **Built for business**
Reliable, with up to 30,000 pages monthly duty cycle⁴
- **Flexible and easy to use**
Intuitive touch-screen and range of connectivity options
- **PrecisionCore**
Epson's most advanced printhead technology
