

Expression Photo XP-8500

DATASHEET

A compact and stylish all-in-one photo printer with Wi-Fi and six colour inks for delivering superior, long-lasting photographs up to A4

Photo enthusiasts are sure to appreciate the versatile range of features that this all-in-one photo printer offers. Treasured memories can be kept safe thanks to its high-quality Claria Photo HD Ink, which produces photos that can last 300 years in a photo album¹. It's even easy to print from smartphones and tablets using Epson's mobile printing options in addition to a large LCD touchscreen.

Style and substance

This compact, all-in-one looks great from every angle and has a small footprint.

Superior results at home

When quality matters, you can depend on the Claria Photo HD Inks to deliver superior results thanks to the six-colour inks: cyan, magenta, yellow and black in addition to light cyan and light magenta.

Print when and where you want

Printing photos and documents on the go is easy; simply download the free Epson iPrint app² to print and scan wirelessly from your smart device. The free Epson Creative Print² app can print your photos directly from Facebook, create greeting cards, turn photos into colouring books, and plenty more. You can even print by emailing files directly to the printer from almost anywhere in the world with Epson Email Print².

Smart features

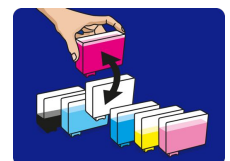

Minimise your trips to the printer; the auto power on feature activates the printer and automatically opens the output tray when a print job is sent. It's great when you're not close to the printer.

Versatile printing

Take on all sorts of tasks with this versatile printer. It can print on suitable CDs and DVDs, create personalised calendars, features dual paper trays for A4 and photo media, double-sided A4 printing, and it incorporates a rear speciality feed for printing on thicker media. You can even operate it without a PC using the 6.8cm LCD touchscreen and memory card slot.
