

DYMO®

XTL™

Industrial Labelling Solution

SIMPLIFIES THE MOST COMPLEX LABELLING.

DYMO[®]

XTL[™]

WE BET YOU'VE NEVER EXPERIENCED INDUSTRIAL LABELLING THIS SIMPLE.

Jobsite tested and packed with features, the DYMO[®] XTL[™] 300 and XTL 500 label makers help simplify industrial labelling for a more efficient, frustration-free experience. By incorporating cues from today's technology, XTL label makers offer a familiarity that makes using them easy. That's why over 80% of people who used an XTL label maker for eight weeks without any training said it performed better than their current label maker*. Built to meet your needs, DYMO XTL label makers offer the flexibility to print continuous tape, pre-sized labels, heat-shrink tubes and small format safety signage all from the same label maker. A full range of durable XTL labels are also available in a variety of materials and colours that fit with OSHA, ANSI and ISO colour standards for workplace communication and safety.

Read on to see how XTL label makers are redefining simplicity.
